Title: FLUORESCEIN-CYANINE 5 AS A FLUORESCENCE RESONANCE ENERGY TRANSFER PAIR

COMMUNICATION REGARDING POWER OF ATTORNEY FILED 1/02/2002

Commissioner for Patents
Washington, DC 20231

Sir:

Applicants respectfully request the Office to disregard the Power of Attorney filed on January 2, 2002. The document inadvertently omitted a copy of the assignment from SmithKline Beecham Corporation, the assignee of record, to Affymax, the assignee executing the Power of Attorney, which would have provided the statement of ownership set forth in 37 C.F.R. §3.73(b)(1)(i) and required by Section 324 of the Manual of Patent Examining Procedure to establish ownership when an assignee appoints its own attorney or agent. This omission renders the document submitted ineffective to revoke the existing power of attorney.

Applicants regret any inconvenience caused by the omission of the Rule 3.73(b) statement from the Power of Attorney, and respectfully request that the action revoking the prior power of attorney to Dianne E. Reed, Reg. No. 31,292, J. Elin Hartrum, Reg. No. 43,663, Mark A. Wilson, Reg. No. 43,275, and Louis L. Wu, Reg. No. 44,413 (all of Reed & Associates, PTO Customer No. 23980) be withdrawn.

A Grant of Associate Power of Attorney is submitted herewith to name those attorneys in the January 2, 2002 Power of Attorney as associate attorneys in this case.

If the Office has any questions concerning this communication, or would like to discuss the application, the accompanying response, or other pertinent matters, she is welcome to contact the undersigned attorney at 650-330-0900.

Respectfully submitted,

Date: 1/25/02
